Note: PER claims can also be submitted online! See https://www.uwo.ca/finance/pplsoft/docs/PER_instructions.pdf.

1. Type or print legibly. Shaded areas are for Financial Services use.

2. The Professional Expense Reimbursement (PER) for Part-Time Faculty Members is $200 for the first degree credit full course and $67 for each additional half course to a maximum of $602 per calendar year.

3. To see the current balance in your PER, click here or go to the Finance website at http://uwo.ca/finance and choose the "Western Financials Login" button. Your regular Western user ID and password work here. Choose "Employee Self-Service", then "PER Entitlement and Past Claims". You will see any carry forward from the previous year, your entitlement this year, any claims you have made in the current year, as well as the current balance in the account.

4. Unused credits from 2015, 2016 and 2017 may be carried forward into any subsequent years up to March 31, 2018, but not beyond. Be aware that while the credits can be carried forward, claims for any given year must be submitted by March 31 of the following year. Thus, the deadline to submit calendar year 2014 expenses for reimbursement is March 31, 2015.

5. The period to submit calendar year 2015 expenses for reimbursement is February 1 - March 31, 2016. Eligible Part-Time Members may submit a claim for reimbursement at any time prior to February 1, 2016, as long as the claim is for eligible expenses greater than $500. If a Member’s eligible expenses exceed the amount allocated for calendar year, the non-reimbursed portion of the expense may be claimed in a subsequent calendar year, up to March 31, 2018.

6. If your banking information is on file in the Human Resources system, your PER will be paid by direct deposit to your bank account.

7. The claim form, with original receipts attached, must be signed by the Member, and then forwarded to the Department Chair’s or School Director’s Office (or in the case of Faculties/Schools without departments, to the Dean’s Office) for approval. The Dean or Department Chair/School Director is responsible for reviewing the claim and ensuring that the listed expenses pertain to the Member’s specific discipline or academic duties prior to approving the payment.

8. Original receipts should indicate clearly the amount paid and the nature of the expenditure. For example, a cash register tape from a supplier must be supplemented by a description of the item purchased. In the case of Internet access, receipts from the start of the service in that calendar year and two subsequent receipts showing continuation of the service throughout the year are required.

9. The following expenses incurred by faculty members are eligible for reimbursement:
   - membership fees for professional and/or learned societies related to the Member’s discipline;
   - subscriptions to professional and/or learned journals;
   - books, instruments, supplies, materials, computer software, the purchase or lease of equipment and services (see Note 10);
   - registration fees for the Member to attend scholarly conferences;
   - travel, including transportation, food and accommodation (subject to the University’s travel policies) for the Member for professionally related courses, conferences, meetings, seminars or workshops and to visit other universities or research sites to conduct research and scholarly work; and
   - page and reprint charges or costs incurred in the preparation and completion of scholarly manuscripts.

10. To be eligible, equipment must be used primarily for work purposes. Furniture and upgrades/software for personal computers are not eligible. Upgrades to University-owned computers are acceptable. Personal use of equipment should be incidental, less than 10%. The reimbursement must purchase the equipment outright without contribution from the Member. Equipment receipts can only be submitted when there are sufficient funds in the Member’s PER account to cover the full cost of the equipment. All equipment purchased is the property of Western. Equipment is not eligible within 12 months of retirement.

11. Financial Services will retain all original receipts. If the receipts total more than the maximum allowable claim and the Member wishes to have receipts returned for another purpose, Financial Services will mark the amount which was reimbursed by Western on the original receipt, photocopy the receipt for their records, and return the defaced original.

12. Provisions of the Professional Expense Reimbursement program are subject to the relevant provisions of the Income Tax Act and any interpretations made by Canada Revenue Agency (CRA). The Member accepts responsibility for any subsequent adverse judgment by CRA.
