The purpose of this class is to provide a solid technical foundation and thorough understanding of percussion instruments. Topics of discussion will include the role and function of percussion in various ensembles, musical considerations such as tone quality and phrasing, organization of a percussion section, and care and maintenance of equipment.

Marking will be based on attendance (10%), three class assignments (each at 10%; 30% total), a final notebook (15%), two playing tests (one at 10% during class and final 10% outside class), and one written final test (25%).

**Attendance Policy**

An unexcused absence will result in a loss two (2) points from the attendance component of your overall evaluation. (i.e. One unexcused absence deducts 2 out of 10)

Failure to appear for a scheduled exam session (without documented medical evidence) will result in a mark of zero for that test/exam. Students with four (4) or more unexcused absences will be referred to the Chair of the Department and will be in jeopardy of failing the course.

Absences will be excused only if the student…
1) is involved in official UWO business that has been approved by the chair or the instructor;
2) has documented family issue;
3) has documented family or personal illness.

Arriving late for two (2) classes is equivalent to one unexcused absence.

Also required are the UWO Percussion Ensemble concerts on **Wednesday, March 20th** at 12:30 p.m. and/or 8:00 p.m. Students are required to attend one of these.
