A shuttle service will be offered between central London and the conference site in the morning and in the afternoon.

All paper and panel sessions will have to end 5 minutes before the next program point is scheduled to start in order to secure transition time between the sessions. Paper presentations will be given within a strict 30-minute timeframe. Responses will be 10 minutes in length, which leaves 15 minutes for discussion. Panel sessions have no respondent, but 15 minutes should be left for discussion.

The keynotes will be held in the von Kuster Hall (VKH). The paper and panel sessions will be held in MB 242, MB 254, MB 227, and in VKH. All venues are in the Music Building.
