SUMMER
BAND CAMP

WESTERN UNIVERSITY SUMMER BAND CAMP

July 24-28, 8:30 am - 4:30 pm | Final Concert July 28, 7:00 pm

Program Description

The Western University Summer Band Camp offers students entering grades 8-11 a musically engaging experience on the beautiful Western University campus, including a final concert presented in the Paul Davenport Theatre. In addition to performing in a concert band, students will be able to choose from other elective musical experiences, including: Connecting the Dots: The Musical Sense Behind Music Theory; Jazz Ensemble; and Percussion Ensemble.

Students who have studied one of the following instruments for at least one year are eligible to participate in the program: Flute, Oboe, Bassoon, Clarinet (all types), Saxophone (all types), Horn, Trumpet, Baritone/Euphonium, Trombone, Tuba, and Percussion. Because this is primarily a band camp, every student must participate on a wind or percussion instrument. Students may participate in the elective Jazz Ensemble on piano or guitar. Each student must provide their own instrument (exception: percussion instruments will be provided).

Faculty

Dr. Colleen Richardson, Dr. Kevin Watson, Dr. Jill Ball, Ms. Chantal Lemaire
